

Say **YES** to Manufacturing in the Hudson Valley

We need you to say **YES** to the Council of Industry

The more members we have the more programs we can offer.

The more members we have the deeper the discounts can become on products and services.

The more members we have the louder our voice will be locally, in Albany, and in Washington.

The typical member of the Council of Industry pays less than \$500 annually in dues and can receive 10 times that in benefits!

To join simply complete the membership application below and return it to the Council office. For more information visit our Web site www.councilofindustry.org or call us at (845) 565-1355.
