

	“More Essential” Industry	“Less-Essential” Industry
LOW INFECTION RISK	Services/product <b><u>more essential, low risk</u></b> of workplace or customer infection spread	Services/product <b><u>less essential, low risk</u></b> or workplace or customer infection spread
HIGHER INFECTION RISK	Services/product <b><u>more essential, high risk</u></b> of workplace or customer infection spread	Services/product <b><u>less essential, high risk</u></b> or workplace or customer infection spread

From Governor Cuomo’s April 15, 2020 press release
