

Well-paying jobs are open in the Hudson Valley.

Prepare for a high-tech career.

Train for an entry level manufacturing position within the Advanced Manufacturing field by enrolling in the hands-on Advanced Manufacturing Pre-Apprenticeship Credential.

This 5-month part-time program starts August 26th and includes:

- Certified Production Technician
- Fundamental Concepts of Metrology
- Resume writing and mock interviews
- Interviews with local employers who are ready to hire

Application deadline August 20th

If you need tuition assistance, contact the Ulster County Office of Employment & Training at 845- 443-8066 to see if you qualify for funding through their programs. If you find that you do not qualify for that funding but need assistance, please contact us at 845-339-2025 so that we can send you a scholarship application.

For more information contact us at reerb@sunyulster.edu or call 845-339-2025.

Manufacturing minds.
